Re: Monthly Report (3/1/94 - 3/31/94)

Dear Ms. Reynolds,

In reference to your letter of May 25, 1994. I have not responded within the 15 day period because we did not receive this letter until June 20th.

The total on line 22, Column B of the Detailed Summary Page has been corrected.

The total on line 23 of the Detailed Summary Page has been corrected to include the in-kind contribution which was shown as a memo item on the original report. We did not include this in the total amount of contributions because we have always just reported this type of an in-kind contribution as a memo item. In the future we will include this in the totals. The purpose of the in-kind contribution for Walter Jones Jr. for Congress was for radio actuality services.

If you have any further questions please call me at 202-863-8755.

Sincerely,

Pat Huyck  
Director of Accounting
